

FOR IMMEDIATE RELEASE
February 18, 2021

Filatellic Fiesta Stamp Show, November 13-14, 2021

The Silicon Valley's Largest Stamp Show Returns in 2021

San Jose— February 18, 2021 —Filatellic Fiesta will be held on November 13-14, 2021 in Napredak Hall. Twenty-five dealers will offer stamps from all over the world and an amazing array of topics. The San Jose Stamp Club (SJSC) hosts the show and makes an effort for everyone feel welcome -- we provide free coffee, water, donut holes, brownies and other snacks. A snack bar is available for lunch. Admission and parking are FREE. Whether you are just getting started or are an experienced collector, you will be glad you attended.

It was required to cancel Filatellic Fiesta in 2020 due to the global Covid-19 pandemic. The show is back in 2021 in Napredak Hall because our previous venues are not available.

Filatellic Fiesta is part of the American Philatelic Society's "World Series of Philately" shows, but this venue does not have sufficient floor space to host exhibits. It is expected that exhibits will return in 2022.

The United States Postal Service will host a table selling a variety of new issues and collectables. The SJSC hosts a booth with lots of very affordable materials for getting your collection going at a low cost. Sunday morning the club hosts an auction.

Young people are welcomed with a youth table featuring fun projects that help them learn the basics of stamp collecting. They go home with their own stamp project. The show hosts one of the best Boy Scouts of American stamp collecting merit badge programs (pre-registration required).

If you have an old collection you don't know what to do with it, bring it on Sunday and receive a free evaluation from the dealers.
